

About the Great Fire Gathering

The Great Fire Gathering is the Jacksonville History Center's inaugural spring fundraiser—an event we intend to grow into a staple on Jacksonville's civic calendar. Marking the 125th anniversary of the Great Fire of 1901 and the renewal that followed, the Great Fire Gathering is a relaxed and welcoming celebration that brings neighbors, business and community leaders, and History Center supporters together around shared tables with live music, good food, and conversation—an evening that is distinctly Jacksonville.

Proceeds support the Jacksonville History Center's mission to preserve the city's history, share its stories, and expand access to public programs and education—while advancing development of its new museum.

Honoring Jacksonville's Stewards

The evening will include brief remarks and the presentation of two awards recognizing Jacksonville's spirit of renewal:

- **The Rebuilder Award**, which will be presented to **JWB Real Estate Capital**, will honor a company whose preservation and redevelopment efforts reflect the spirit of renewal that reshaped Jacksonville following the Great Fire of 1901.
- **The Keeper of the Flame Award**, which will be presented to **Wayne Wood**, will recognize a community member whose dedication to local history keeps Jacksonville's stories alive for future generations.
